WHAT IS INSIDE

Everything a candidate needs to practise

Questions, road signs, markings, lessons and a timed mock exam, in one clean app that works on a phone.

Practice with a sign question. The answer is marked and explained after each choice.

- 1 **Pick a topic.** General, road signs, lights, markings, speed, and more.
- 2 **Answer.** Green is correct, red is wrong, with a short explanation.

Practice that finds gaps

Missed questions come back first.

Timed mock exam

20 questions in 20 minutes, marked out of 20.

Road signs

By family, with search and meaning.

Markings and lights

Clear pictures of markings, lights and police signals.

Glossary and flashcards

Learn the words used in the road code.

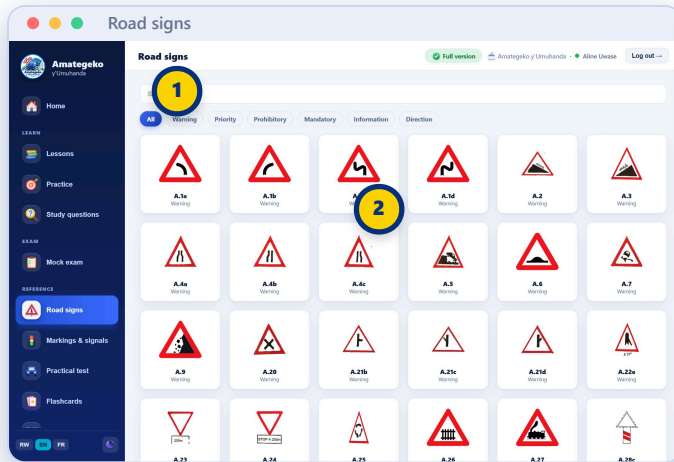

Your progress

See readiness, weak topics and scores.

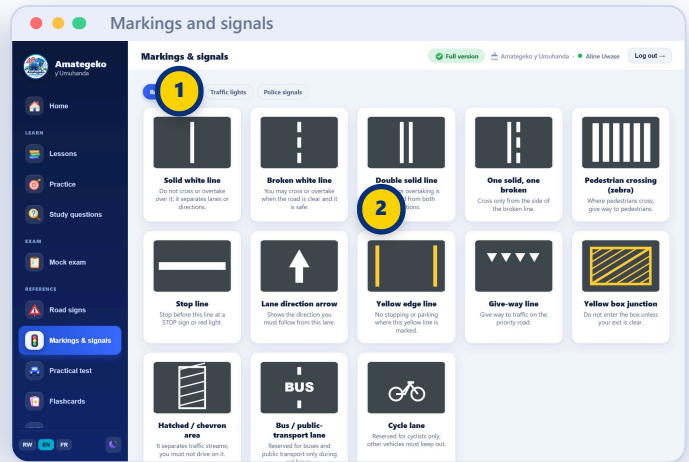

SIGNS AND MARKINGS

Learn every sign by sight

126 road signs and a picture guide to road markings, traffic lights and police signals.

Road signs grouped by family, with search.

Road markings shown as clear pictures.

- 1 Filter by family.** Warning, priority, prohibitory, mandatory, information, direction.
- 2 Tap a sign.** See its code and what it means.

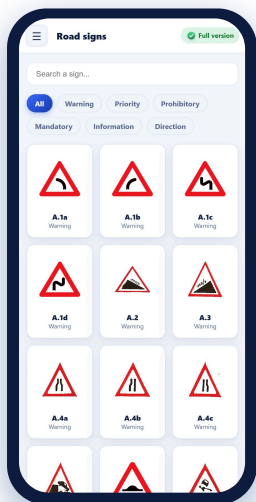

Three languages

Kinyarwanda first. English and French at any time.

Made for phones

Large answer buttons and a menu that stays out of the way.

On a phone too

The web app has a phone layout with a slide out menu, large tap targets and sign pictures that stay sharp. Add it to your home screen and practise anywhere.

- 🟢 Works in any modern browser
- 🟢 Progress is saved on your device
- 🟢 No account with us is needed

Lessons

Short lessons with the key points, before you practise.

Revision sheets

Print a sheet of the questions you find hardest.

Certificate of practice

Earn a printable certificate by passing a mock exam.

FREE AND FULL

Try free in your browser, unlock everything with a code

Open the web app with no sign up. A code from your driving school or from EduSmart Consult unlocks the full content.

Three steps

1

Open the web app

No download. Create a small profile with a name and a PIN.

2

Practise

Questions, signs and a timed mock exam.

3

Unlock

Press Unlock full version and type your code.

For driving schools. One code can serve many candidates. Each learner uses their own phone, and the school sees who is ready in the Windows or Android app.

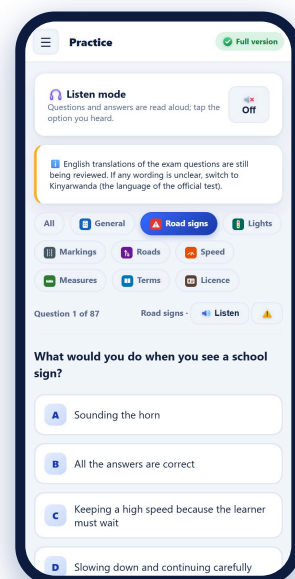

Windows program

Fully offline, for shared computers.

Android app

Fully offline, on the candidate's phone.

GOOD TO KNOW

Honest answers before you start

Practise like it is the real test

**Use the timer**

Take a full mock exam of 20 questions in 20 minutes, marked out of 20.

**Read every option**

Some questions offer 'none of the answers'. Read all options before you choose.

**Learn from mistakes**

After each answer read the explanation. Missed questions come back first.

Common questions

Do I need the internet?

You need a connection to open the web app and to unlock. After you unlock, the full content is kept in your browser.

Will I lose my progress?

It is saved in your browser on your device. It stays unless you clear browser data. Use the backup option in Settings.

How many devices can use my code?

Each code has a limit set when it was made, such as one phone for a learner or thirty for a driving school.

Is this the official exam?

No. It is a practice tool by EduSmart Consult, not an official Rwanda National Police or government product. Always check current official texts too.
